Letter of Appreciation

Dear Pieter,

On behalf of Wide Horizon Care, I would like to extend our very sincerest acknowledgement and appreciation to Pietria Hardware for their remarkable support. Your generous financial **contribution to the work of Wide Horizon Care (Hospice) to the value of R18,000.00** has been gratefully accepted.

Wide Horizon Care, previously known as Wide Horizon Hospice, has recently re-opened its In Patient Unit after being closed for almost a year, due to lack of funding. The facility now offers and additional service to accommodate the elderly citizens who are bed bound and require frail care. We believe that through this add on service, we will be able to better support the members of our community, who require 24-hour care of their loved ones.

Your support will therefore assist us greatly towards various programmes, with specific focus on our Karuna Clinic, which provides care for HIV positive adults and children.

Last but certainly not least, through your wonderful support, you have given us the courage we require despite the many challenges we face as an NGO in the current economy.

Thank you for your friendship and for making a difference to the lives of those who are less privileged.

Our very best wishes and kindest regards,

Allison Gallo
